

FACOM Microbeads soap 1L

EAN: **3221320060407**

SKU: **006040**

Highly concentrated microbeads soap for frequent washing of hands heavily soiled by grease, inks and other stubborn stains encountered by mechanics and in industry. This soap consists of washing agents and microbeads from natural sources. It contains no solvents. It cleans quickly and leaves hands soft, with no greasy film. Suitable for sensitive skin. Excellent skin compatibility, does not cause skin irritations and prevents chapping. Supplied with a dosing pump to avoid excessive use and squirting.

Capacity: 1L
