

FACOM 2in1 soft putty 500g

EAN: 3221320060568

SKU: 006056

FACOM 2 in 1 flexible polyester putty 500g, a polyester mastic for filling and levelling surfaces, bumps and hollows. Benefits from a strong adhesion and excellent filling properties. Being a 2 in 1 mastic, it may also be used for final preparation of surfaces prior to painting. Colour : light beige, may be modified with additives.

Applications : Filler for light hollows, evening of surfaces and finishing. Suitable for metal, wood, laminates, concrete, PVC, etc. Examples : small bumps on bodywork, cracks in wood and composites.

Pot 500g nett (including hardener)
