

***FACOM brake cleaner 600ml**

EAN: **3221320060636**

SKU: **006063**

FACOM brake cleaner 600ml, a cleaner especially formulated for brake and clutch parts. Rapidly removes brake dust detritus and friction by-products, as well as grease and other impurities harmful to well-functioning mechanisms. Leaves a clean, dry, residue-free surface.

Powerful, precise jet thanks to the multi-position head.

No harmful effects on gaskets and rubber seals .

Compatible with ceramic and carbon brake systems.

Applications : Cleans the braking systems of cars, motorcycles and lorries.

May be used in all cases where residues from friction occur, propshaft shaft brake lines, etc

Aerosol 600ml (nett)
