

FACOM Air conditioning cleaner

EAN: 3221320060810

SKU: 006081

One-shot biocidal treatment for interiors, ventilation and air conditioning systems. Diffusion of its active ingredients rapidly disinfects and eliminates bacteria, mould and unpleasant odours that are found in vehicle interiors, and ventilation and air conditioning ducts. Leaves a 'fresh air' fragrance after treatment.

Very easy to use 'One-shot' treatment.

A single treatment is appropriate to treat an interior up to 45m³.

Leaves no particular or stubborn smell.

150ml (net) aerosol
