

FACOM Super car lubricant 250m

EAN: 3221320061152
SKU: 006115

FACOM super lubricating oil 250ml, a lubricant with a highly-technical formula, reinforced with PTFE particles for lower friction. Forms a fine, clean film to which dust does not cling. High performance against friction, reduces wear and noise. Protects against rust.

Applications : bicycle chains, MTB, go-karts, high-speed bearings, control cables inside sleeves, (brakes, accelerators), pivots, etc

Aerosol 250ml (nett)
