

MICHELIN rechargeable compress

EAN: 3221320095225

SKU: 009522

Cordless air compressor. The inbuilt battery makes it ideal for cord-free use on the go. Adjust the pressure of a standard tyre in 3 minutes Thanks to its stand-alone battery, it can power 12 V products (2 accessory sockets) and recharge devices (2 x 5 V USB ports). Universal : Contains three valves: Balls, bicycle tyres, inflatable toys. 3 pressure units : Bar, PSI, Kpa. 5 Superbright LED lights. 60 cm (approx.) high pressure air hose with tyre valve connector. Inflates car tyres up to 2.80 bars. Inflates bike tyres up to 8.3 bars. A fully charged battery will give approximately 10 inflations from 0 to 2 bars.
