ERGONOMIC NECK PILLOW WITH MEMORY FOAM + REFRESHING GEL This neck pillow adapts perfectly to your morphology thanks to its memory foam. It will give you support and comfort so you can sleep peacefully while travelling. The shape is specially designed to adapt to your shoulders, support the neck and reduce pressure on the cervical vertebrae and head. The gel technology gives a refreshing effect and disperses your body heat to keep your head and neck fresh and comfortable. Ideal for long car rides. Hand-washable cover. Ready to use: no activation required.
