KINE TRAVEL Ergonomic Lumbar Support Cushion

Product approved by a specialist physiotherapist

A travel cushion with ergonomic lumbar support 36cm x 27cm x 6cm

- Restores the natural shape of the lower back
- Reduces the lumbar pain
- Elastic strap holds cushion to seat
- This cushion will bring you a lasting comfort and a reduction of lumbar pain, often caused by a prolonged seated position.
- Ideal in the car, it is also suitable for use in the office or at home.

Practical : an elastic strap keeps the cushion in place.
