

KINE TRAVEL Seat Raising Cush

EAN: 3221321698425

SKU: 169842

You can now get an effective solution for more comfortable sitting! This cushion adapts to your body shape. It can help you to keep a straight sitting position and relieve the pressure on your spine and pelvis in order to prevent the occurrence of pain. This seat raising cushion moulds perfectly to your morphology due to specially designed ergonomics and memory foam. It makes journeys much more comfortable. The gel in this cushion maintains a fresh feeling when sitting throughout your journey. This cushion can also be used at the desk or at home. Hand-washable cover.
